What I have just described is true. I give this testimony under penalty of perjury of the laws of the state of Florida and I understand that a videotape of this testimony will be submitted to the Federal Communications Commission in connection with WHFT's renewal application.

I know that if I hadn't been set free of the desire to drink I would probably be in a state hospital or dead or somewhere else and I really believe that if TBN through their words and their inspiration can save one life then they should be on the air. They're that helping hand that thousands and thousands of people need. Thank you.

Hi, my name is Frank Enzinna. I live at 20070 N.E. 10th Place, North Miami Beach, Florida. I have been watching channel 45 on a regular basis for about the last ten years. Watching channel 45 has been very important and a changing experience in my life and I really owe a lot to them with my family. For the last 30 years I had lived in a world and did more or less what television, soap operas and whatever told me was normal. I drank a lot and I chased women. I drank through two marriages, homes, families, killed a teenage boy while I was drunk and driving and I thought I was living a normal life. My life finally turned around when the Lord led me to Alcoholics Anonymous 11-1/2 years ago, then Alcoholics Anonymous led me back to the Lord and through that I found channel 45 and I became a born-again christian and learned all about what the Bible tells me I'm supposed to be doing. And my life had changed after I found out that the Bible says discard your old life and turn it over and you'll get a new life and lo and behold the Lord blessed me with another woman. She became born-again, we got married, we had two lovely children, and now we have a very happy home, christian home and we watch channel 45 on a daily basis because it gives balance in our life and I know it has helped not just me, my wife and my seven year old boy and my five year old girl who we have in christian school, and channel 45 just been so good for me.

What I have just told you is true story. I give this testimony under penalty of perjury of the laws of the state of Florida and I understand that a videotape of this testimony will be submitted to the Federal Communications Commission in connection with WHFT's renewal application. I want to thank you and that's it.

## DECLARATION

I, Michael S. Everett, under penalty of perjury of the laws of the State of Florida and the United States of America, hereby swear that the following declaration is true and correct.

1. On July 15, 1993 I spoke to an associate of Pastor Oscar Arguero who had called to invite me and Dr. Paul Crouch to attend a meeting of a group of Hispanic pastors serving churches in the Miami area scheduled for Monday, July 19. After he had extended the invitation, and was told it was accepted, I asked if he would help channel 45 out by passing out a "Written Testimonial Form" to members of his church, and make the same request of other pastors in his organization. I told him that these forms were basically testimonies for people for whom channel 45 had had a real impact in their lives. He agreed to circulate the form if we would send a copy over to him. I sent the pastor a copy by telecopier on the same day.

2. Dr. Crouch, Danny York, a travelling companion of Dr. Crouch's, and I attended the meeting on July 19. We arrived slightly late, and there were already boxes full of Written Testimonial Forms in both English and Spanish. More were passed up or dropped in the boxes as the meeting proceeded. We subsequently received approximately 25 additional "Written Testimonial Forms" by mail.

3. At the meeting we were approached by a young man who identified himself as Andres Garcia. Mr. Garcia told Dr. Crouch

that he had once been a drug addict, but had seen a program on channel 45 which showed him the futility of his drug dependence and turned his life around. Mr. Garcia showed Dr. Crouch and I a picture of himself when he was still involved with drugs, dated November 28, 1991. The young man in front of us did not look like the same person in the picture. Dr. Crouch suggested that we get an "after" picture that night, and Mr. York took a picture of Mr. Garcia with Dr. Crouch. I have attached a copy of Mr. Garcia's picture and that taken with Dr. Crouch to this Declaration.

4. Altogether, between July 19 and July 25 we received approximately 882 "Written Testimony Forms" in English and 531 in Spanish. Since I don't speak Spanish ~~is~~, we hired a translator identified in the Miami yellow pages, Mirtha M. Castaneda, to translate the Spanish language forms to English.

5. All of the forms were sent to May & Dunne, Chartered by Federal Express.

Executed this 9th day of August, 1993.

Michael S. Everett

TRANSLATION AFFIDAVIT

I hereby state under penalty of perjury of the laws of the State of Florida and of the United States of America that I was responsible for the Spanish to English translation of the hand written Testimony forms of the individuals listed on the attached "List of Individuals Providing Written Testimony in Spanish Supporting the Renewal of WHFT (TV), Miami, Florida." The original forms needing translation were delivered to me by Michael Everett, Station Manager of WHFT(TV), and they were translated verbatim, to the best of my ability, from written Spanish into written English. The English translation is stapled to the original written Spanish form.
